The Premier MBA Institute in India

National Institute of Business Management is a premier institute in India rendering Business Administration Courses in Correspondence and Online modes.

We have a host of optimum curriculum that works best in the current professional scenario in the study of MBA, DBA, and PGDBA. The Institute believes that 'Creativity and Knowledge' is the courage to know and we ensure that on learning with us people gain an invincible winning edge to confront with today's competitive world.

With NIBM Business Administration courses, we are committed to offer a wide range of career-building, online programs in business management and the related areas for working executives and students. Our MBA courses in India leverages the internet-based technologies and the latest advancements in instructional design, learning technologies and educational tools to create interesting, engaging, and industry-oriented content delivered by committed, expert faculty from leading business schools and industry.

About NIBM

National Institute of Business Management (NIBM) has been set up with a vision to establish an Education Power House with a global reach.

Various fields of study have been established by a team of eminent professionals from both Industry and Academics. To emerge as the leader in the field of education and to excel in its area of operations a team comprising of dedicated Eminent Academicians, Senior Executives and Industrialists are engaged to assist the dissemination of knowledge and provides learning edge to our students.

NIBM is an ISO 9001:2008 Certified Educational Institution that has acquired a distinct place of honor among the different Business Schools owing to its innovative and objective approach to its studies. The studies of NIBM have been appreciated and recognized by the trade and business communities for its quality, updated syllabi and scientific methodology of instruction. It has an exemplary track record of over a decade proudly projecting a large number of alumni who are hardcore professionals working all over the globe in different echelons of management in major industries and trade circles.

These courses provided with varied electives to choose from equip the students to formulate various strategies and manage their business with efficiency in different management areas. The studies also help the students to acquaint themselves with the latest developments emerging in the business environment and also enhance the prospects of their career.

National Institute of Business Management is approved & accredited by IAO (International Accreditation Organization), Houston, USA.

IAO provides international accreditation to the education providers and assures that the educational program, policies and procedures of the institute are up to the international standards of quality. IAO's international accreditation represents an education provider's commitment to delivering quality on par with the global standards.

It assures the certificate provided to students will have increased acceptability around the world, should they decide to study or work abroad.

Dear Student,

National Institute of Business Management aims to provide innovative and globally acclaimed programs to equip the students with thorough knowledge of the novel and latest techniques of management.

The Institute believes that "Creativity & Knowledge" is the courage to know and we ensure that in learning with us, people gain the edge that makes them invincible when they come face to face with today's world of competition.

The Institute aims to impart quality education to the students and motivate them to mobilise their intrinsic abilities to leap ahead in the field of management and imbibe in them the importance of humanitarian value based education.

NIBM will mentor the students to develop and conceptualise corporate ideas for the benefit of their Organisation and the society at large.

Director

Our Mission

- *To develop management professionals through qualitative education, enabling them to meet the emerging challenges of the new business environment.*
- *To assist in career planning, development and advancing of one's Career.*
- *To disseminate information on the latest changes, trends, techniques and methodologies to practicing managers*
- *To keep pace with the dynamic environment of business.*
- *To introduce a highly rewarding and profitable field of business environment and its management.*

ISO 9001:2008 Certification

ISO 9001:2008 was awarded to the Institute after thorough inspection and audit of the quality and standard of all aspects of its activities, especially teaching methods, admissions and conduct of examinations. This Internationally recognized certification gives global acceptance to the students of the Institute.

Quality Policy

NIBM aims at academic excellence in management education through continuous research and delivery of various programs providing efficient and excellent service to the students. We shall constantly strive to improve the academic processes by regular human resource training, student feedback and review of systems.

Placement Assistance Cell

National Institute of Business Management has established a Placement Assistance Cell with a view to act as interface between the industry and the students.

At NIBM, we suggest high profile placement opportunities to successful students in various conglomerates across India and abroad that we have trussed with over time. However, the placement will be offered according to the performance of the student in front of the interviewing authority of any particular company. Student employment opportunities are regularly displayed on the Website of NIBM or the students can know it by dialing up our Placement Assistance Cell.

The cell will facilitate online pre-placement and placement activity, and invites the industrial / commercial establishments to avail the services of the cell for placements of our students those have academically well-performed.

NIBM- Validity of Enrollment

The validity of enrollment for the courses is as follows:

Six Months DBA	: 1 Year
One Year PGDBA	: 2 Years
One Year MBA	: 2 Years
Two Year MBA	: 3 Years
One Year Executive MBA	: 2 Years

NIBM- Exclusive Features

NIBM is committed to bring a whole range of exclusive features for our students such as Student Portal and Online Study Materials, Online Discussion Forums and Sessions, 24*7 Web Support, Email Support, Fast Track Program, Subject Transfer Facility, Free Journal, Expert Faculty and a lot more.

Student Portal

Students get access to their 'Student Portal' after enrolment where they get all the details of their course.

Fast Track Program

The NIBM Fast Track program is designed for the students to reduce the time duration for completing their courses. This is a golden opportunity for students to acquire higher management qualification within a short time frame. Students can opt for this facility at the time of taking admission or within two months of enrollment.

Students who are opting for fast track mode may remit the fast track charges in addition to the respective course fee and exam fee.

Course Name	Course Duration	Reduced Course Duration	Fast Track Charges
Six Months DBA	6 Months	3 Months	3000
One Year PGDBA	1 Year	6 Months	6000
One Year MBA	1 Year	6 Months	6000
Two Year MBA	2 Years	1 Year	7000
One Year Executive MBA	1 Year	6 Months	7000

Subject Transfer Facility

Subject transfer facility allows the candidate to choose another program from NIBM and for them the earlier studied subjects get exempted.

The basic objective of this facility is to focus mainly on encouraging students to continue learning during their career span. The courses at NIBM are particularly designed for imparting more knowledge to the student.

In case students pursuing a lower level program wish to take up a higher level program from NIBM then the subjects studied in the earlier programs would be exempted.

In order to opt for another program, a student must have passed in all the subject(s) of earlier program with minimum marks of 50%.

There is no concession in fees for exempted subjects.

Subject Transfer is not allowed for any course studied from other Institutes/Universities as it is applicable to NIBM courses only.

24*7 Web Support

NIBM students can access the website of the Institute 24*7 where they will be able to post their queries and doubts related to the curriculum which will be dealt with by our eminent faculty.

Simple & Quick Online Admission Procedure

NIBM presents a new payment option for students through our secure online payment gateway. You can now make all your payments online using a debit card, credit card or through online fund transfers. This way you can gain admission into your program in less than three minutes.

Email Support

At NIBM, students will have the privilege to clear their doubts by raising queries through emails. Our eminent faculty is committed to clarify the doubts raised by the student immediately.

Online Discussion Forums & Sessions

NIBM observes the updated methodology of learning. We understand that discussing subjects online with other students and faculties generate more knowledge and creative power to our students. This drove us to generate an effective discussion forum.

Journals & Publications

NIBM has an in-house publication called 'Management Times', which will be which will be uploaded in the "Student Portal" every month. The Journal deals with current developments and emerging trends in the area of management.

The format of the publication is done in such a way that it gives valuable information about the current ideas and application in the novel environment of business at the national and international levels. This will help in updating knowledge in one's special area of interest.

Faculty

NIBM faculty department comprises of eminent academicians, senior executives, and successful industrialists. They are totally engaged to assist the dissemination of knowledge for the benefit of the students.

Dispatch of Study Materials

The dispatch of study materials to the students will commence in 7 days after the enrollment of the student. Students will receive the study materials in printed format and will get 'Online Study materials' also in their 'Portal'. The CD format of the course materials will be provided on remittance of a nominal fee.

Please note that those who fail to get the study materials may kindly contact the Institute at the earliest. Further, those students who have arrears of fees shall not be eligible to receive the study materials in time.

NIBM - Examinations

Examinations will be conducted four times a year in February, May, August & November on Saturdays and Sundays. There will be two examinations of three-hour duration in two sessions on a day. The examinations will be in Online mode as well as Centre-based written mode and will get 'Online Study materials' also in their 'Portal'.

Examination Centres will be allotted all over India depending on the availability of specific number of students.
