Admittedly, believing 'creativity and knowledge' pave way for vivid explorations, on learning with us, we offer surefootedness for the deserving candidates to attain an invincible winning edge to confront today's competitive world.

For both employed and fresher, we put forward an array of courses in Business Administration, which will definitely provide a wide range of career-building, online programs in business management and the related areas. Anchoring exclusively on internet-based technologies and the latest advancements in order to tinker with instructional design, learning technologies and educational tools, our courses unobtrusively develop a strong, interesting, engaging and industrially target-oriented content base by a dedicated and multi-disciplinary faculty with the highest level of expertise in leading business schools and industry.

## About NIBM

National Institute of Business Management (NIBM) is set up with an invincible goal to disseminate episteme with a universal approach. Ramifications of the areas handled have been ingeniously formulated by an outstanding team of experts hailing both from live industry and academics.

NIBM is an ISO 9001:2008 certified educational institution that has won accolades across the world among different business schools owing to its innovative and novel approach. That quality, syllabi and scientific methodology of instruction being the mainstay of our integrity, the studies of NIBM are widely appreciated and recognized by renowned trade and business communities.

It has an exemplary record of accomplishment of over two decade proudly presenting voluminous alumni who are down-to-earth working all over the globe in different scenarios of management.

Complimented by varied electives to choose from, these courses enable the students to formulate various strategies to tackle crises and manage their business with efficiency and effectiveness. In order to enhance the scope and prospects of their career, the modules offered are sure to help the students to acquaint themselves with contemporary inputs, if not low-level depictions of management principles.

Overall, our curriculum is a break from the past in taking a long-term view bent on converting a long-held passion for management into a lifetime profession. This however is successfully accomplished by practically implementing a praxis-heavy curriculum carefully integrated with theory and analysis within the classroom, especially for aspirants from countries such as Antigua and Barbuda, Australia, The Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana and so on.

Dear student,

National Institute of Business Management is treading forward as custodian of innovative and globally acclaimed programs to mould generation after generation with novelty in techniques of management.

Based on valued education, the institute imparts quality training to the students so much so that they could traverse on a larger scale with their intrinsic abilities for they imbibe these incredible traits from a vantage point of humanitarian integrity.

Correspondingly, undergoing training with NIBM will render self-help to the students to hone their skills that they simultaneously develop and conceptualise corporate ideas largely for the benefit of their organisation and society as well.

*Director*

## Our Mission

- To develop management professionals through qualitative education, enabling them to meet the emerging challenges of the new business environment.
- To assist in career planning, development and advancing of one's Career.
- To disseminate information on the latest changes, trends, techniques and methodologies to practicing managers
- To keep pace with the dynamic environment of business.
- To introduce a highly rewarding and profitable field of business environment and of its management.

## ISO 9001:2008 Certification

ISO 9001:2008 was awarded after exhaustive inspection and audit of the quality and standard of all dimensions of its activities, especially methods adopted in teaching, procedures followed in admission and of course, conduct of examinations. Obviously, this international certification gives global acceptance to students of NIBM as well.

## Quality Policy

More often than not, academic excellence in management education through continuous research and delivery of various programmes with efficiency has been the mainstay of NIBM. Through regular human resource training, student feedback and systematic reviews, we shall constantly endure to improve the prowess.

## Placement Assistance Cell

National Institute of Business Management has established a Placement Assistance Cell with a view to act as an end-to-end interface between the industry and the students.

At NIBM, we suggest placement opportunities of high profile for academically successful students in various conglomerates that we have been trusted with over time. The placement however will be offered only after a stringent process of scrutiny and analysis of performance of the student at the time of interview with authorities of any particular company.

Students will be informed when suitable job opportunities are received

Time and again, the cell will duly facilitate all the procedures of on-line pre-placement and placement. Also the cell will invite industrial/commercial establishments to avail the services of the cell for placements of our students those have come out with flying colours.
